ABOUT OUR COMPANY

Dream Arabia Contracting Company is a Saudi-based construction and contracting firm committed to delivering high-quality, compliant, and future-ready infrastructure across the Kingdom and the broader Middle East. With deep regional expertise and a multidisciplinary team of engineers, planners, and project managers, we specialize in civil construction, general contracting, and real estate development – all executed with precision, transparency, and a relentless focus on quality. Founded with the vision of becoming a trusted partner in the region's growth, Manar Universel combines modern technology with traditional values of integrity, safety, and client satisfaction. Whether we're building residential villas, commercial complexes, or industrial facilities, our process is rooted in structured planning, regulatory compliance, and hands-on execution. We don't just build structures – we build long-term relationships.
